WELCOME KINDY PARENTS – CARERS FOR 2015 AND OTHER NEWS

It was fantastic to meet parents and carers of students enrolled for next year’s Kindergarten. Thanks to Mrs Cox, staff and parent volunteers for the Kindergarten Orientation forum last Wednesday. Mrs Cox has provided further details in this newsletter.

The Stage 2 Luna Park Excursion on Friday was a wonderful combination of learning and fun, and students were engaged throughout. Yes, the rides were amazing and the maths activities exercised our minds. Thanks to Mr Englefield for the initiative and to Mrs Foot, Mrs Thompson, Ms Byrne and Mr Eldridge for putting in the long day. The students’ behaviour and participation were exemplary throughout – making it a real pleasure to attend. (I’m still recovering from 2 rounds on the Mouse Trap – rollercoaster). Happily, the weather was fine and it was beautiful to spend the day beside Sydney Harbour.

Information, photos and a video link are on the KSPS website.

Congratulations to our Year 5 Train On Debating Team (Bridie, Pia, George, Bailey and Y6 advisor Luca) who competed at Belair Public School today. This was another excellent winning effort by the team. Thanks Mrs Thompson, Mrs Harvey and Glenda Bennett for organising and assisting. KSPS Year 6 Debating Team will contest East Maitland here at 1pm. Both our teams have remained undefeated throughout the rounds – so can be justly proud.

Please remember to take extra care on local roads around school hours. It is important that roadside signage is followed, particularly in vicinity to the ‘crossings’. Your support helps our students to travel safely to and from school. This is especially important in wet weather. Information can be viewed on the KSPS website.

I’m taking leave over the next couple of weeks and Mrs Ward will act in my absence. Mr Eldridge will take on higher duties as Relieving AP. Ms Partridge, who is well known to the school, will relieve on 5/6W, continuing the class teaching and learning program. I look forward to returning in Week 10, in time for Stars On Stage. Tickets are now on sale and further information is below in today’s newsletter.

GETTING ALONG GREEN DAY
To celebrate and re-enforce our school skills in Getting Along as part of our You Can Do It Program we are asking all children to dress in green on WEDNESDAY, 3 SEPTEMBER.
Getting Along is revealed when students work cooperatively with each other, resolve conflicts by discussion rather than fights, manage their anger, show tolerance of others, and follow important class/school rules.
I encourage you to discuss with your child why they are dressing in green to reinforce the importance of our Getting Along skills. There is no cost for this activity.
Have fun being green!!!!
MRS BRYANT (YCDI CO-ORDINATOR)

TECHNOLOGY NEWS
2014 has been an exciting adventure into technology for both students and teachers at KSPS. We have seen a number of improvements in the way technology is used to promote student learning, including: an increase in the effective use of iPads in classrooms; the integration of Google apps such as Google Docs and Google Drive; and the purchase of a bank of laptop computers. Last week we ordered more laptops and a number of desktop computers to replace dated computers. Last week we ordered more laptops and a number of desktop computers to replace dated desktops in our computer lab. A further departmental ‘roll out’ in Term 4 will mean we can replace additional obsolete items to keep the lab up to date.

Multimodal Texts
As part of the new English syllabus students are taught to read and compose a variety to different texts. A multimodal text is a text that uses more than one mode of communication to deliver the author’s message. In order to create multimodal texts, KSPS students are composing narratives that use written text, pictures and narrative to convey their message. Students have been using the iPads to produce their texts. KC and KF have completed class narratives that are now available for download in the iTunes store. To find their narratives simply search the iTunes store. To find their narratives simply search the iTunes store. To find their narratives simply search the iTunes store. We wish Adelaide and Charli the best of luck when they compete at this week’s Hunter Region Athletic Carnival. Both girls are competing in the long jump event. Good luck girls!!

NSW State Touch Championship
Congratulations to Charli who recently competed at the State Touch Championships in Wagga Wagga. The Hunter Team had a successful campaign finishing 4th overall out of 13 teams. They were unfortunately beaten in the semi-finals by the overall winners, Sydney North.

INTERRELATE
Year 6 students began Part One of their ‘Moving into the Teen Years’ program this week. This program is provided by Interrelate School Services and focuses on enhancing students’ self esteem, communication and decision-making skills. The program also aims to develop students’ understanding about the transition from child to adolescent. The program will continue with Part Two next week. Thank you to the P&C for kindly subsidising the cost of this beneficial program.

NEWCASTLE PERMANENT PRIMARY SCHOOLS MATHEMATICS COMPETITION
All Stage 3 students will complete the Newcastle Permanent Primary Schools Mathematics Competition on Wednesday 27 August this week. KOTARA BEARS RUGBY LEAGUE
Congratulations to the 11 years boys Kotara Bears Rugby League team for a wonderful grand final last weekend. I witnessed a fantastic game played with excellent skill and most importantly, great sportsmanship. Unfortunately the boys were narrowly beaten during extra time but not without giving it their best. Congratulations to the team members from KSPS – Charlie M, Charlie C, Joe, Jayden, Corey, Ky, Brayden and Ethan. I was very proud of their efforts and thrilled to be invited to the game. A big future ahead for the Kotara Bears team!

KINDERGARTEN ORIENTATION – PARENT SESSION

The first of our Kindergarten Orientation Sessions (Parent Orientation and Enrolment Day for students commencing school in 2015) was held last Wednesday – August 20 in our school hall. We currently have 44 enrolments for 2015. It was lovely to meet some of our new families coming to our school and also catching up with existing families. Thank you to the P&C for the lovely morning tea and to Chris Thompson, Glenda Bennett and Helena Taylor for your contributions on the day regarding the P&C, the canteen and the uniform shop. Our lovely Kindergarten students performed their Stars on Stage items for a very receptive audience, while students from KF paraded the many combinations of our school uniform for our new parents to see. Three Kindergarten Orientation sessions will be held in Term 4 for our Kindergarten students commencing school in 2015. We are looking forward to meeting our future students at each of these sessions.

FREE FRUIT & VEG SENSE WORKSHOP

A **free Fruit and Veg Sense Workshop** provided by the Cancer Council NSW will be held at Kotara South Public School. This workshop will show you how you can easily:

- Save time and money making healthy meals
- Learn clever ways to entice fussy eaters
- Get a free recipe book simple by attending

The session will be on **Thursday August 28 at 1.30 – 3.00pm** in the **school library**. If you have not registered yet, please do so by 9.00am Wednesday August 27. Be quick as there are only 9 places left.

ENTRY & EXIT SURVEYS

Last week all **Kindergarten** students were given an **Entry Survey** and **Year Six** students were given an **Exit Survey** to be completed by parents. This survey is to provide us with information to help deliver the best educational opportunities we can to our students and parents at Kotara South Public School. Currently 17 Kindergarten students and only 6 Year Six students have returned their surveys. Please return the survey to school by this Friday August 29 as your input is highly valued. All feedback will be treated in confidence. **Students whose survey is returned will be eligible to be in the draw for one of several free canteen lunches.**

VISUAL TEXTS & THE NEW ENGLISH SYLLABUS

The study of **visual texts** including **short films, films, multimodal and digital texts** is a key component of our new English Syllabus from Kindergarten through to Year 10. **“Language shapes our understanding of ourselves and our world. It is the primary means by which we relate to others and is central to the intellectual, social and emotional development of all students. In the years of schooling from Kindergarten to Year 10, English is the study and use of the English language in its various textual forms. These encompass spoken, written and **visual texts** of varying complexity through which meaning is shaped, conveyed, interpreted and reflected. Students develop clear and precise skills in speaking, listening, reading, writing, viewing and representing, and knowledge and understanding of language forms and features and structures of texts.”** (NSW English K-10 Syllabus)

Below I have listed the content related to visual texts that Kindergarten students are expected to complete by the end of their first year of school:

- **Express a point of view** about texts read and/or viewed
- **Use comprehension strategies** to understand and discuss texts listened to, viewed or read independently
- **Understand** that texts can take many forms, can be very short (for example an exit sign) or quite long (for example an information book or a film) and that stories and informative texts have different purposes
- **Discuss** familiar written and visual texts
- **Respond** to texts that depict aspects of home and community life, e.g. short films and digital texts

In order for teachers to meet the requirements of the new English syllabus, all students at KSPS will participate in activities throughout the year which will require them to view short films, films, multimodal and digital texts.
